Introducing Tim ...

Tim Hawkins is a very experienced Christian leader. He has been a full-time youth pastor in a local church for 37 years. He was recently the **Youth Pastor Emeritus** at St. Paul's, Castle Hill, in Sydney Australia where he served for 27 years.

Tim's passion is to see high-schoolers and young adults become fervent disciples of Jesus. He planted and built the **Crossfire** youth ministry at Castle Hill, which is one of the most fruitful local church youth ministries in Australia.

God has called us to Africa

“After 37 years in full-time youth ministry in Australia, we feel strongly called by God that the next chapter in our ministry life is to raise up the next generation of leadership in Africa”.

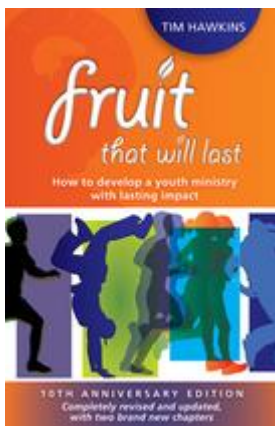

In the past year, Tim and his wife, Karen, have responded to the call of God, and are serving as volunteers in Cape Town, where they are pursuing this incredible vision from God. Listen to what Tim says,

*We believe that in this coming century, it will be the Christians in Africa who will be used by God **to** take the message of Jesus to the rest of the world. So by investing into that emerging leadership across Africa, we believe there will be a worldwide impact for the kingdom for decades to come.*

Tim Hawkins' books and resources are revolutionising youth ministry around the world, and are now being used as training manuals in many bible colleges. Every one of Tim's resources has grown out of his local church's youth ministry.

The classic youth ministry book

Wouldn't it be great to develop a youth ministry that was both **faithful to Christ's call and effective in changing lives and producing leaders**. Tim shares from his nearly 40 years of experience as a youth pastor in this classic book on disciple-making ministry. **“Fruit That Will Last”** is literally transforming the face of youth ministry around the world.

Christian Book Discounters, Rosebank, will carry all his books and training material. They will be sold on the Saturday at hugely discounted prices.
